NOTES

SORANAGIHARA

PAGE 140

In Japan, nipples are a big no-no, so they are oftentimes covered up (albeit scantily) in anime and manga. So when a product boasts a *Breasts Exposed* label, it is often to get a buyer's attention. The actual breasts depicted can be disappointing in the unrealistic depiction or general fuzziness around the prized nipple area.

PAGE 168

This baseball song is chanted along with a bout of rock-paper-scissors that also involves stripping (like strip poker).
